Report of School Board.

The School Board would submit the following report for the year ending February 15, 1903:—

EAST SCHOOL.—The first term, also two weeks of the second term were taught by Miss Frances M. Wadleigh, of this town. The School Board were satisfied with the order and progress of the school. Miss Wadleigh was removed to the West School to fill a vacancy there, and Miss Margaret R. Piper, of Fitchburg, Mass., taught the remainder of the term. Her methods of teaching were very good, but she lacked energy in the management of the scholars. The Board thought best to engage a new teacher and Miss Mary E. Smith, of Mount Vernon, N. H., was engaged to teach the third term. She gave her whole attention to the work, good order was maintained, and the progress made was entirely satisfactory.

WEST SCHOOL.—This school was taught the first term, and two weeks of the second term by Miss Laura M. Sanborn, of this town. After teaching two weeks of the second term, Miss Sanborn resigned her position and her place was filled by Miss Frances M. Wadleigh, who also taught the third term, and the progress made was satisfactory to the School Board.

SOUTH SCHOOL.—This school has been under the instruction of Miss Edna M. Hardy, of this town, throughout the year. She maintained her former reputation as teacher. We wish to call attention to the fact that there are two children who are absent the greater part of the time, but are out of the jurisdiction of the School Board, as they are under the age limit to attend school. The carelessness and neglect on the part of only a few makes a bad showing for the entire school and also makes the attendance lower than it otherwise would be.
